## Sunday Programming

### Sunday Sermon Information

John 11:45-53 | Is Father More Than a Title or Role? We encounter one of our most villainous characters of the bible; Caiaphas. The high priest, who oversees the crucifixion of Jesus Christ. What can we glean from this man's actions, behaviors and expression of religious devotion that queue us away from his model to one more aligned with God's desire for our lives? It's Father's Day, the value of role modeling and responsibility come to a head for us this week.
