## Sunday Programming

**January 12 | Deuteronomy 2:14-25 |**

**Rev. Dr. Ted Martin**

We step out into our series on Deuteronomy. Last week, we were challenged to Look to the Horizon with an obedience to the Lord God. This week, our feet are in motion. This text is filled with names and towns and what some may call the “gobbledygook” of the bible that causes many of us to get bogged down when we read through the bible. It’s there for a reason. There is clear direction in this text... how do we respond to God’s clear direction? See you on Sunday!

### Stewardship Update

We have funded 2/3rds of our Capital Campaign; we have given over \$40K to our mission partners as First Fruits; and by the end of the 2024, we nearly erased the deficit we started with!

If you’d like to secure HPC’s 2025 send off with a Zero balance, then help us chip away at the \$8.5K. If each family gave about \$50, we would see it vanish!
