IT IS VERY IMPORTANT that each person be present with his/her assigned group on each scheduled date.

Please make your own arrangements for a substitute or to switch from another group, if you will not be able to count.

*NOTE: A Trustee must be present in each group. Trustees please contact another trustee when switching.

THE RULES OF THE GAME

- 1) Look for your name under **Group 1-10**. That will be your group number through December, 2023.
- 2) Look at the Schedule, under **Group** Col. are the group numbers. Find your group number and highlight it.
- 3) Look at the dates under the **Month** column. Wherever your group number, that is a date you are scheduled to count.
- 4) Place a reminder on your calendar. If you are unable to count, PLEASE find a replacement to switch.

THINGS TO CONSIDER:

- A) Trustees can only switch with Trustees. A Trustee must always be present during counting.
- B) An * beside a name indicates Trustee.
- C) Realistically, 4 Counters are what is needed to count; moving the process along quickly and efficiently.
